

# Traveler 6000

## Wireless Optical Mouse

Genius introduces a new wireless optical mouse - Traveler 6000. Simple and handy, it improves your daily working efficiency and is suitable for either hand.

Featuring a precision 1200 dpi optical engine, Traveler 6000 provides great cursor movement control for browsing documents or Internet pages. The Pico receiver is ideal because of its mini size, so you can leave it your notebook when you're moving around the office. To save on battery purchases, Traveler 6000 is designed with only one AAA battery and a power switch is added to extend the battery life.

Traveler 6000 is available in three popular colors – Diamond Black, Royal Blue or Ruby Rose. For more information, contact your sales representatives.
